

He Couldn't Stop the Love

Pearl Sturgis

He didn't have to go
To die at Calvery.
Because He loved us so...
He went there willingly.

He said no man could take
The Life He freely gave.
He gave it for our sake.
For He alone can save.

He shed His Precious Blood
And we're the reason why.
Jesus could [not] stop the Love
He [has] for you and I.
