

“C” is for the Christ Child

When I was but a youngster, Christmas meant one thing,
That I'd be getting lots of toys that day.
'Till mom taught me about a new born king

“C” is for the Christ child, born upon this day

“H” for Herald angels in the night

“R” means our Redeemer

“I” means Isreal

“S” for the Star that shown so bright

“T” is for Three wise men, they who traveled far

“M” is for the Manger where He lay

“A” is for All He stands for

“S” means Shephards came

And that's why there's a Christmas day.
